Dear Parent,

Congratulations! Your child has been chosen to represent his/her class in this year's Live Oak Student Council. This leadership position is a privilege. We want all students to enjoy and learn from this experience. Student council meetings are held Thursdays after school from 2:35-3:15 (unless holidays require rescheduling). Your student needs to attend the meetings as well as follow school expectations to maintain his/her position. The following criteria should be met:

1. Attend all student council meetings:
September 23 October 21 November: none December 16
January 20 February 17 March 24 April 21 May 19
2. Participate in and promote **Live Oak Elementary School Spirit Day activities**.
3. Encourage classrooms to participate in Student Council activities.
4. Set a good example for classmates and peers in both conduct and work ethic.
5. Avoid conflict, complete homework, keep up on classwork and follow school rules.
6. Be inclusive of all Live Oak students.

Students who fail to meet these expectations may be asked to step down from Student Council.
